Prayer Points

1. Praise and Prayer for the Literature Ministry

By God's abundant grace, we have entered into the 25th year of the ministry this April 2026. We praise God from the bottom of our hearts for His goodness and faithfulness.

This ministry was started in April 2002. It was a humble beginning with six copies of Honey Drops. By God's abundant grace, now we have countless readers all over the country. To God be all the glory! He has done great things.

Pray that the Lord will bless the literature ministry much more. Pray that the readership will increase. Pray that the devotions will be filled with God's power and His anointing. Pray that wherever the Word of God goes, there will be a great revival.

2. Praise God for the Bengali Edition of Honey Drops

Amidst all the hurdles, the Bengali version of Honey Drops was introduced this year. Praise God for the Bengali edition. Brother Joshua Choppara and his team are doing the translation and forwarding the devotions to many Bengali-speaking people through WhatsApp.

Please remember Brother Joshua Choppara and his team in your prayers. Pray that this work will continue and that more souls will be touched by God's Word and transformed.

Our Confidence in Prayer

“This is the confidence we have in approaching God: that if we ask anything according to His will, He hears us. And if we know that He hears us, whatever we ask, we know that we have what we asked of Him.”

1 John 5:14–15

Prayer brings victory. Amen!
